Step 2: Notifying the Public

State Law and Greenwood's Rules of Procedure require you to notify the public of the hearing in three different ways: by newspaper, by posting a sign on the subject property, and by notifying property owners that surround the subject property. Signing and submitting an Affidavit of Notification verifies this notification.

Notification by Newspaper

1. Complete Attachment B: Notice of Public Hearing for Newspapers. At the application meeting, Staff will review and approve the completed attachment.
2. Publish the approved attachment one time in BOTH of the two newspapers listed below at least 15 days prior to the Hearing (see Application Schedule on page 3). Failure to meet the publishing deadlines will result in delay in hearing your petition and may cause you to re-advertise. Be certain to obtain a "Proof-of-Publication" affidavit from the newspaper for both of your advertisements. These affidavits must be filed with your application in the Planning Office at least three days prior to the hearing (see Application Schedule on page 3).
 - a. **The Southside Challenger**. Published weekly on Wednesdays. Information must be submitted by 12:00 pm (noon) on Mondays. Their preferred method of receiving information is by email at news@indychallenger.com. They are located at 173 East Broadway Street, Suite 211 (Fincorp Building), Greenwood, IN 46142. Phone: (317) 888-3376; Fax: (317) 888-3377.
 - b. **The Daily Journal**. Published daily. Information must be submitted by 10:00am at least two days prior to the date you want your ad to be published. They are located at 2575 S Morton Street, PO Box 699, Franklin, Indiana, 46131. Phone (317) 736-7101.

On-Site Notification

The On-Site Notification Sign(s) must be posted on-site for 15 continuous days prior to the hearing (see Application Schedule on page 3). Post sign(s) so that it is visible from the street(s). If the sign should become damaged/removed, replacement signs may be purchased at the Planning Office or an "On-Site Notification Waiver" may be requested from the Board/Commission at the time of the hearing (contact Staff for information).

Surrounding Property Owner Notification

1. Complete Attachment C: Notice of Public Hearing for Surrounding Property Owners. At the application meeting, Staff will review and approve the completed attachment.
2. The Petitioner must notify all surrounding property owners within 300 feet or two properties in depth of the subject property, whichever is greater. If the petitioner owns adjacent parcels, then go 300 feet and two properties beyond those parcels. Notification can be done either by mail or in person.
 - a. **By Mail**. Notification by first class U.S. Mail should be done by either Certificate of Mailing or Certified Mail.

Certificate of Mailing (\$0.95/letter) provides evidence that mail has been presented to the post office for mailing. Use Form 2 for listing those notified (copy enclosed). Proof of Mailing will be Form 2 that has been stamped by the Post Office.

Certified Mail (\$2.40/letter), or "green cards" provides the sender with a mailing receipt and proof of delivery. Visit the Post Office for special cards and stickers for addressing letters sent by Certified Mail. Proof of Mailing is a combination of the "green cards" that have been sent back to you and your Certified Mail Receipt for letters that were not claimed.

All letters must be postmarked at least 15 days prior to the hearing (see Application Schedule on page 3). Proof of mailing must be submitted to the Planning Office at least three days prior to the hearing (see Application Schedule on page 3). Mail the following information to each person notified by mail:

 - ☐ A copy of the brochure "You've Been Notified of a Public Hearing"
- b. **In Person**. Have each property owner sign Form 1: Signatures of Adjacent Property Owners to verify that they were notified in person. Form 1 must be submitted to the Planning Office at least three days prior to the hearing (see Application Schedule on page 3). Hand-deliver the following to each surrounding property owner at least 15 days prior to the hearing:
 - ☐ A copy of the approved Attachment C
 - ☐ Attachment A (if part of this kit)
 - ☐ A copy of the Site Plan/Concept Plan that is 8 ½"x11" to 11"x17" in size
 - ☐ A copy of the brochure "You've Been Notified of a Public Hearing"

Step 3: Staff Report, Public Hearing, and Application Schedule

Such report shall be published along with the agenda approximately five days prior to the hearing (see Application Schedule below).

Public Hearing

The Commission shall follow their adopted Rules of Procedure for the hearing, a copy of which is available at the Planning Office. Public hearings of the Plan Commission are generally held on the second and fourth Monday of each month in the Common Council Chambers at the Greenwood City Building, 2 North Madison Avenue, Greenwood, Indiana, 46142.

When your request comes up on the agenda, you are asked to present your request to the Commission. You may represent yourself or have a consultant or attorney to represent you. You may use any maps or graphics that will assist you in the presentation. If the members need additional information, they will ask questions regarding your request.

Upon conclusion of its public hearing, the Commission will vote on your petition. The Commission may include commitments as part of its decision. See page 4 of this application packet for "What Happens Next".

Attachment J: Landscape Waiver Request

Project _____ Docket _____

Waiver from these Regulations. Under conditions where a strict interpretation of requirements may be either physically impossible or create practical difficulties, an alternative compliance procedure may be used to maintain the spirit—rather than the letter—of the law. The proposed solution must equal or exceed standard landscaping requirements. Requests to the Plan Commission for use of alternative landscaping schemes are justified only when one or more of certain conditions apply.

Waiver Guideline Explanation. Attach a separate sheet that justifies that at least one of the five requirements established by the Landscaping Ordinance will be met with modifications, which project conditions justify using alternatives, and how the proposed measures equal or exceed normal compliance. The Plan Commission may, in its discretion, authorize and approve waivers from the requirements and standards of these regulations upon finding that at least one of the following has been adequately justified:

- (1) The sites involve space limitations or unusually shaped parcels.
- (2) Topography, soil, vegetation, or other site conditions are such that full compliance is impossible or impractical.
- (3) Due to a change of use of an existing site, the required bufferyard is larger than can be provided.
- (4) Safety considerations are involved.
- (5) Existing utility lines or easements complicate the placement of required plant materials.

I respectfully request consideration by the Greenwood Plan Commission to waive the requirements established by the following Section(s) of the Greenwood Municipal Code for Article 18 of the Zoning Ordinance: (Staff can assist)

1. Section 10-472 _____:
2. Section 10-472 _____:
3. Section 10-472 _____:
4. Section 10-472 _____:

I submit that this request is not in conflict with the Plan Commission's guidelines for review of waiver requests outlined above.

Attachment J: Site Plan Waiver Request

Project _____

Docket _____

Waiver Guideline Explanation. The Plan Commission may, in its discretion, authorize and approve waivers from the requirements and standards of these regulations upon finding that the following nine criteria have been justified. In approving waivers, the Plan Commission may impose such conditions as will, in its judgement, substantially secure the objectives of these regulations (Sec. 10-460, 16.08.1).

- (1) Practical difficulties have been demonstrated;
 - (2) The requested waivers would not, in any way, contravene the provisions of the Greenwood Subdivision Control and Land Development Ordinance, the Comprehensive Plan, or the Official Map of the City;
 - (3) The granting of the waiver will not be detrimental to the public safety, health, or welfare, and would not adversely affect the delivery of governmental services (e.g., water, sewer, fire protection, etc.);
 - (4) The granting of the waiver would neither substantially alter the essential character of the neighborhood nor result in substantial injury to other nearby properties;
 - (5) The conditions of the parcel that give rise to the practical difficulties are unique to the parcel and are not applicable generally to other nearby properties;
 - (6) The granting of the waiver would not contravene the policies and purposes of these regulations;
 - (7) The granting of the waiver is necessary to ensure that substantial justice is done and represents the minimum waiver necessary to ensure that substantial justice is done;
 - (8) The practical difficulties are not created by the Developer, Owner, or Applicant; and
 - (9) The practical difficulties cannot be overcome through reasonable design alternatives.
-

Attach a separate sheet that thoroughly itemizes, explains, and justifies how each Waiver Request meets each of the nine Waiver Guidelines outlined above.

I respectfully request consideration by the Greenwood Plan Commission to waive the requirements established by the following Section(s) of the Greenwood Municipal Code for the Zoning Ordinance of the City of Greenwood: (Staff can assist) *NOTE: Do not use this form if requesting a Waiver from Landscaping or the Stormwater Drainage and Sediment Control Ordinance. Attachment J: Subdivision Standards Waiver Request

Project _____

Docket _____

Waivers from these Regulations.

Where the Plan Commission finds that extraordinary hardships or practical difficulties may result from strict compliance with these regulations and/or the purposes and intent of these regulations may be served to a greater extent by an alternative proposal, it may approve waivers to these subdivision regulations so that substantial justice may be done and the public interest secured, provided that such waivers shall not have the effect of nullifying the intent and purpose of these regulations. Such waivers may be granted upon written request of the applicant stating the reasons for each waiver and may be waived by two-thirds (2/3) of the regular membership of the Plan Commission. (Sec. 10-501)

The Plan Commission may, in its discretion, authorize and approve waivers from the requirements and standards of these regulations upon finding that the following six criteria have been justified:

- (1) The granting of the waiver will not be detrimental to the public safety, health, or welfare, or injurious to other property.
- (2) The conditions upon which the request for a waiver is based are unique to the property for which a waiver is sought and are not applicable generally to other property.
- (3) Because of the particular physical surroundings, shape, or topographical conditions of the specific property involved, a particular hardship to the owner would result, as distinguished from a mere inconvenience, if the strict letter of these regulations are carried out. Financial hardship does not constitute grounds for a waiver.
- (4) The waiver will not in any manner vary the provisions of the Zoning Ordinance, Stormwater Drainage and Sediment Control Ordinance, Comprehensive Development Plan, or Thoroughfare Plan of the City of Greenwood.
- (5) Where the waiver impacts on design and construction of public facilities, all appropriate public agencies will be given ample time to comment in writing to the Plan Commission.
- (6) The requested waiver is the minimum amount necessary.

Attach a separate sheet that thoroughly itemizes, explains, and justifies how each Waiver Request meets each of the six Waiver Guidelines outlined above.

I respectfully request consideration by the Greenwood Plan Commission to waive the requirements established by the following Section(s) of the Greenwood Municipal Code for the Subdivision Control Ordinance of the City of Greenwood: (Staff can assist) *NOTE: Do not use this form if requesting a Waiver from the Site Plan Requirements, Landscaping, or the Stormwater Drainage and Sediment Control Ordinance. Contact the City Engineering Department to discuss drainage waiver requests.*
